

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
<p>Make sure you post news before school starts! Welcome families to SchoolCNXT or let them know about your classroom!</p>		<p>Post news about what you did on the first day of school! This will help parents and guardians talk to their children about their day.</p>		
	<p>Have a student who was especially helpful during the first week? Send a message to their parents!</p>		<p>A news item is a great way to remind parents about the supplies that students may need to send in!</p>	
		<p>Does your school have a parent-teacher night coming up? Post an event to let parents know the details and see RSVPs!</p>		<p>There are always some shy students at the beginning! Message their parents to ask how they are talking about school at home.</p>
	<p>Use SchoolCNXT to post daily or weekly homework assignments. If you start now, parents will make a habit of knowing to check for it!</p>		<p>Let families know about the topics and strategies you're working on in the classroom. Post news to let them know what's coming up!</p>	
<p>Do you have a guest reader or volunteer program in your classroom? Post news to solicit sign-ups!</p>		<p>If there is a parent who did not attend your parent night, message them to set up a time to meet or give them more information!</p>
